

# The DUX 010

**THE DEFINITION OF THE DUX SLEEP SYSTEM,  
PURE AND SIMPLE**

The DUX 010 dynamic two-layer base is the perfect introduction to the legendary DUX comfort and support, and to a better nights sleep. Predrilled holes with grommets make headboard attachment easy. The DUX 010 comes with our Xupport Top Pad, as well as a choice of bed legs in various styles and finishes. The DUX 010 is handcrafted from the finest materials, and is presented in its own storage bag.

## Experience The DUX Difference

### SWEDISH STEEL SPRINGS

At the heart of the DUX 010 are Swedish steel springs – nearly 2 times as many as in an ordinary bed. More springs provide better contouring for your body, reducing pressure points which can help improve blood circulation.

### EXTRA SUPPORT

The DUX 010 comes with our Xupport Top Pad. This replaceable cotton covered latex top pad adds extra softness and cushioning.

### SPRING MATTRESS

Spring mattress with latex, cotton filling and two layers of springs on an interior hardwood frame. Available in medium or firm spring densities.

STANDARD SIZES	NUMBER OF SPRINGS	DIMENSIONS
90x200/210/220	784/830/864	Mattress Height: 27 cm Total Mattress Height with Xupport: 33 cm Recommended Leg Heights: 20cm, 23 cm, 30 cm
105x200/210/220	920/974/1014	
120x200/210/220	1024/1084/1128	
140x200/210/220	1192/1262/1314	
160x200/210/220	1396/1478/1539	
180x200/210/220	1568/1660/1728	
210x200/210/220	1840/1948/2028	

The DUX 010 can be custom designed to fit most bed frames. It is available in certain North American sizes. Please contact DUX to inquire. The DUX 010 spring system comes with a 20-year limited warranty.

# The DUX Axion

## COMFORT IN ACTION

The DUX Axion combines the benefits of the DUX sleep system with the elevation capabilities of an adjustable bed. Its multi-layered Swedish steel springs offer the perfect combination of stability and support, while its dynamic, silent motor helps you settle into just the right height and angle. The DUX Axion comes with our Xupport Top Pad and is presented in its own storage bag

## Experience The DUX Difference

### SWEDISH STEEL SPRINGS

At the heart of The DUX Axion are Swedish steel springs. More springs provide better contouring for your body, reducing pressure points which can help improve blood circulation.

### POWER TO SPARE

A 9-Volt battery enables you to return the bed to its original flat position in case of a power outage.

### FINGERTIP CONTROL

The DUX Axion's elevation can be easily adjusted with an ergonomic and userfriendly handheld remote control that features soft-touch night glow buttons.

### EXTRA SUPPORT

The DUX Axion comes with our Xupport Top Pad. This replaceable cotton covered latex top pad adds extra softness and cushioning.

STANDARD SIZES	NUMBER OF SPRINGS	DIMENSIONS
90x200/210	558/594	Mattress Height: 59 cm
105x200/210	682/726	Total Mattress Height with Xupport : 65 cm
120x200/210	806/832	Recommended Leg Heights: 18cm (included)

The DUX Axion cannot be ordered in custom sizes. The drive mechanism comes with a 3-year warranty and the spring system with a 20-year limited warranty.

# The DUX Dynamic

## ADJUSTABLE COMFORT

The DUX Dynamic bed combines the exceptional benefits of a DUX bed with the elevation capabilities of an adjustable bed. The advanced DUX Dynamic has three layers of flexible Swedish steel springs to ensure that your body is supported naturally and comfortably. The upper layer is based on the unique DUX Pascal system, with three comfort zones that adapt individually to your shoulders, torso and legs. The DUX Dynamic operates effortlessly with a safe, low voltage motor and is built to withstand years of use. The handoperated remote control makes the DUX Dynamic quiet and easy to use. The DUX Dynamic is supplied with a chrome retainer bar to hold the mattress in place. The DUX Dynamic comes with our Xupport Top Pad and is presented in its own storage bag.

## Experience The DUX Difference

### SWEDISH STEEL SPRINGS

At the heart of the DUX Dynamic there are Swedish steel springs. More springs provide better contouring for your body, reducing pressure points which can help improve bloodcirculation.

### DUX PASCAL® SYSTEM

Everyone's body is unique. That's why the DUX Dynamic offers individualized comfort zones, allowing two people to select the perfect setting for their shoulders, lower back and legs.

### FINGERTIP CONTROL

The DUX Dynamic's elevation can be easily adjusted with an ergonomic and userfriendly handheld remote control that features soft-touch night glow buttons.

### POWER TO SPARE

A 9-Volt battery enables you to return the bed to its original flat position in case of a power outage.

### EXTRA SUPPORT

The DUX Dynamic comes with our Xupport Top Pad. This replaceable cotton covered latex top pad adds extra softness and cushioning.

# DUX Top pads

FOR EXTRA SUPPORT AND COMFORT

DUX offers two top pads for your DUX bed; Xupport, which is always included when buying a DUX bed, and the unique top pad Pascal de Luxe, with personal comfort zones.

## DUX Top pads

### XUPPORT

Xupport is a deeply tufted top pad with a core of latex which has an outer layer of cotton wadding for extra ventilation and softness.

### PASCAL DE LUXE

Everyone's body is unique. That's why the Pascal de Luxe top pad offers individualized comfort zones, allowing two people to select the perfect setting for their shoulders, lower back and legs. The Pascal® system is available for all DUX beds, either incorporated into the bed or as a separate top pad.
